### **Log on via your university or university college**

Choose your university from the list below. You will then be directed to the university's own website and their login page. After a successful login, you will be returned to studera.nu and your account here.

Please note: Since your identity has been confirmed at the university website, you **will not have to enter a PIN-code** to get access to your credentials or to reply online.

University/University college:

Uppsala University ▼

Get to the login page of UU and fill in the information:

The screenshot shows a Windows Internet Explorer browser window displaying the login page for Uppsala University's 'Gemensam webbinloggning' service. The browser's address bar shows the URL: <https://cas.user.uu.se/cas/login?service=https%3A%2F%2F>. The page features the Uppsala University logo and the title 'Gemensam webbinloggning'. Below the title, there is a section titled 'Logga in i en webbtjänst' with the instruction 'Webbtjänsten som du vill använda kräver inloggning.' Two input fields are provided for 'Användaridentitet:' and 'Lösenord A:'. A 'LOGGA IN' button is located below the password field. At the bottom of the login section, there are two links: 'Har du glömt ditt lösenord? Klicka här' and 'Vill du byta ditt lösenord? Klicka här'. The browser's status bar at the bottom indicates 'Done' and 'Internet | Protected Mode: On'.

## Logged in

**Important information**

If you have logged on via your university or university college\*, you must remember to log off from their website after logging off from studera.nu. You do this via their log in/off page or by closing down your web browser.

You can now use the menu on the left to:

- follow your application
- view, change or delete your application
- view your qualifications/credentials
- reply to your Notification of Selection Results (if asked to do so, please check the instructions carefully)
- view or update your profile

Make sure you enter your home address and phone numbers in "Your profile." Please check that the information is correct and up-to-date. Students on waiting lists are often contacted by phone.

**\*If you have any questions concerning your application**, please contact Admission Services by telephone at +46-771-550 720 or send an email via the [Contact Form](#).

## Application --> Edit/Delete application alternatives

### Autumn Semester 2011

If you do not want to take a certain course, you can delete it here.

If you are following a study programme this is where you specify your application. You can either apply for a course as an independent course or as a course within your programme. Please check the options for each course.

#### To resubmit an application for a deleted course

To resubmit an application for a previously selected (and now deleted) course or study programme, click 'Late application'.

Code	Course/Programme	Apply for/within...	
UU-11237	<b>Distributed Information Systems</b> 5.0 cr Day-time, 33% Normal teaching Uppsala University, Uppsala Autumn term 2011 Tuition fee, first instalment: Not available Total course/programme fee: Not available	<input checked="" type="radio"/> Master Programme in Computer Science <input type="radio"/> Single subject course	<input type="button" value="Delete"/>

## Application --> Send in additional documents

### Autumn Semester 2011

Check the relevant box(es) under "Additional data" below, indicating which documents you are going to send in. Select from which country your documents will be sent. This will help us expedite the processing of your application. If you will be sending documentation of studies from more than one country, check the box and choose the country for where the majority of your studies took place.

Do not forget to print and sign the cover sheet to go with your supporting documents.

**Additional data** [Read more](#)

- Check this box if you will send in records of completed upper secondary education. Also scroll down to the country where you completed your studies. <Select Country>
- Check this box if you will send in academic records or a certificate/diploma from a HE institution. Also scroll down to the country where you are studying/your degree was awarded. <Select Country>

## We have received your application for Autumn Semester 2011

### An email confirming the receipt of your application will soon be sent to your email address

If you want to view or make any changes to your application, you can do so by following the link "Your application" in the menu to the left. This is also where you will be able to check on the processing of your application.

You will be able to view and update your personal data in "Your profile" and below "Your credentials" you will be able to view the credentials and other qualifications that have been registered in your name.

### View and reply to the notification of selection results in "Your pages"

Once the Notification of Selection Results has been published in "Your pages" you will receive an email asking you to reply to the offers made. The Notification of Selection Results will also be accessible as a PDF file (for printing). No admission notifications will be sent by regular post.

Please check your personal data below. If you need to add or change any data, go to "Your profile" on "Your pages" and make any updates there.
