

IEEE

Signal Processing Society

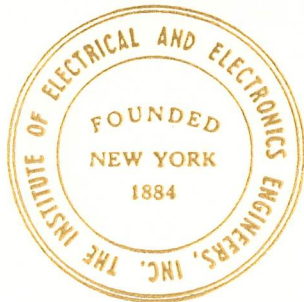

1999 Best Paper Award
(Sensor Array and Multichannel Area)

is presented to

Petre Stoica

for the paper co-authored with Mats Viberg entitled,
"Maximum Likelihood Parameter and Rank Estimation
in Reduced-Rank Multivariate Linear Regressions,"
published in the *IEEE Transactions on
Signal Processing*, Volume 44, Number 12,
December 1996.

June, 2000

Pavos Papanichali
President, Signal Processing Society

Michael D. Zoltowski
